

PRODUCT TRAINING *and* DEMONSTRATION DAY

**Strategic Building Products
Education and Training Center**
16630 Aston
Irvine, CA 92606

You're Invited...

Learn and Earn with Kemper System as we teach an AIA accredited course worth 1.5 AIA-CEU's.

We will discuss the Kemper System history of fully reinforced, cold-fluid applied, liquid resin waterproofing membranes. Technology - composite of resin and reinforcement. Understanding system components. Application process, performance benefits, range of applications. Project examples including detailing and various assemblies. Learn more at www.kempersystem.com

There will be a hands-on demonstration for odor less Kemper System products. RVSP TODAY!
