Firestone Red Shield™ Warranty. Nobody covers you better.

The Firestone Red Shield Warranty. It's the one the competition has never managed to equal, because no other roofing manufacturer can match the resources of Firestone Building Products.

For example, Firestone has warranted roofing systems for over 25 years. That's a record few other companies can match. And with Firestone Red Shield coverage, you can choose warranties on all roof types, with no dollar limit for material and labor.*

Need more proof? Firestone warranties offer coverages from five years all the way up to 30 years. And you can even transfer Red Shield warranty coverage from owner to owner. Finally, with the Firestone Red Shield Warranty, you're backed by the resources of a billion-dollar global company with a

heritage that goes back over a century.

With Firestone behind your next roofing system, all of the characteristics that are important to your needs—including installation expertise and product support—come together. The result is a single package of capabilities designed to meet your demand for top quality. All backed by comprehensive Firestone Red Shield warranties that help assure outstanding roofing performance for decades to come.

Compare Firestone Red Shield Warranty coverage to any competitor. You'll soon see why nobody covers you better.

There's a Firestone roofing system for every need.
And a Red Shield Warranty for every commercial roof.

A new green outlook on our Red Shield™ Warranty.

Everyone in the commercial building industry is making an investment in “greener” systems, materials and building practices. Now, Firestone is backing your investment in the future with an investment of our own: the Firestone EnviroReady™ Roofing System and Warranty.*

This comprehensive program lets building owners install a high quality conventional roof today and upgrade it with green roofing technology tomorrow. Firestone’s Red Shield warranty keeps your new EPDM or TPO roof “enviro-ready” for responsible upgrades for up to 7 years after initial installation, so you can go green in a way that matches your needs and your budget.

Thanks to Firestone, now you can plan future environmental roofing upgrades, fully confident that you are installing not just the products, but the industry leading Red Shield Warranty coverage you need to maintain everything that will go under your next “green” roof. This exclusive program covers inspections before and after installation of new green upgrades. Firestone also provides premium system offerings with 20-, 25- and 30-year warranty options to help you achieve your sustainable building goals.

* EnviroReady Roofing System available in select EPDM and TPO Roofing Systems. See your local Firestone sales representative for details.
