Differentiate Yourself with Gaco's Roof Coatings.

Let us show you how to increase profits with a roof coating that is non-sacrificial, unaffected by harmful UV rays, withstands permanent ponding water and can be applied up to one hour prior to a rain shower without washing off of the roof.

GacoFlex Roof Coatings Product Knowledge Training

Event Description

This interactive one-day event is intended for new and experienced applicators who are applying GacoFlex Roof Coating products by brush.

- Learn the advantages of GacoFlex Roof Coatings, the latest products in the industry.
- Experience a hands-on demonstration of GacoFlex Roof Coatings and accessories.

This event is intended to give the participant a basic understanding of Gaco's application guidelines with both presentation and hands on demonstration.

Upon completion of the program, participants will receive a Gaco Certificate of Attendance.
