San Diego, CA 92111

## AGENDA

**9:00 AM - 12:00 PM**

Product Knowledge  
and Demonstration of  
GacoFlex S4200 System  
(Refreshments and lunch provided)

## GacoFlex S4200 System

GacoFlex S42 Series is a 100% silicone roof coating solution for renewing your weathered roof. This high adhesion coating can be installed over virtually any existing roof substrate\* creating a durable, seamless membrane that helps protect the roof from permanent ponding water, ultraviolet light and severe weather.

GacoFlex S42 Series covers more surface area with less material than many other competitive silicones, exhibits outstanding peak hide coverage on granulated surfaces, and with its strong adhesion to multiple types of surfaces, it eliminates the need for an epoxy primer in many cases, allowing for faster installation.

**RSVP by 2/17/25**
