

EMPOWERING CONTRACTORS WITH EXCEPTIONAL TECHNICAL TRAINING FOR ENHANCED PERFORMANCE.

SAVE THE DATE

Product Knowledge Training

This interactive one-day event is intended to give contractors a better understanding of Gaco Liquid-Applied Systems with both presentation and hands on demonstration.

- Learn the advantages of GacoFlex, ER Systems and Elastek Coatings, the latest products in the industry.
- Experience a hands-on demonstration of Gaco Liquid-Applied Systems and accessories.

Upon completion of the program, participants will receive a GacoU Certificate of Attendance.
