

DIFFERENTIATE YOURSELF with our 100% Silicone Roof Coatings.

Let us show you how to increase profits with a roof coating that is non-sacrificial, unaffected by harmful UV rays, withstands permanent ponding water and can be applied up to one hour prior to a rain shower without washing off of the roof. You can get all of this with our revolutionary GacoFlex 100% Silicone Roof Coatings.

Level 1 GacoFlex Silicone Roofing Applicator Training (1 Day)

Course Description

This interactive one-day training class is intended for new and experienced applicators who are applying product by roller or brush.

- Learn the advantages of GacoFlex Silicone Roof Coatings.
- Gain hands-on training and tips for proper application to help ensure customer satisfaction.
- Gain an advantage over your competitors and increase your bottom line!

This class is ONE PART OF THREE REQUIREMENTS for achieving Gaco Western Level 1 Qualified Applicator status, which allows a contractor to offer labor and material warranties. For complete details, reference "How to become a Gaco Western GacoFlex Silicone Roofing Qualified Applicator," available on GacoUniversity.com.
